# Passing Notes

GOOD CONNECTIONS CARRY IDEAS.

A SMALL PUBLICATION ABOUT GETTING THROUGH.

# Dear reader,

An idea needs  
somewhere to go.

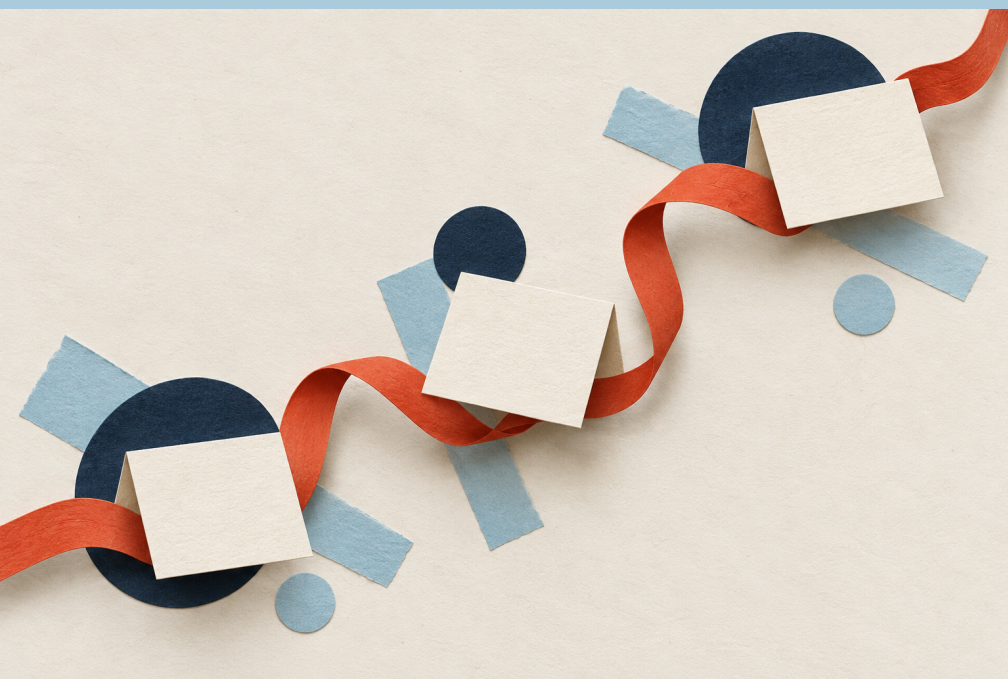

A page. A person.  
A change of mind.

---

Relay Grotesk gives words a direct, useful voice.

Open counters and familiar proportions make  
room for the message. A few connected letter  
groups add something more personal.

# Pass it on.

# A thought in transit.

Not every connection needs to announce itself.  
Some simply keep the sentence moving.

# Small links.
